

WINTER

DRIVING TIPS

prepare your EMERGENCY KIT

- Ice scraper
- De-icer
- Wind-up torch
- Boots
- First aid kit
- Warm clothes and blankets
- Jump start cables
- Reflective warning sign
- Shovel
- Road atlas
- Sunglasses
- Phone charger
- Food

before you set off PLAN YOUR ROUTE

if the weather is bad out, tell someone your plans: where you are going, how long you expect it to take. Check in when you get there.

and always perform THESE CHECKS

tyres

battery

lights

water & oil

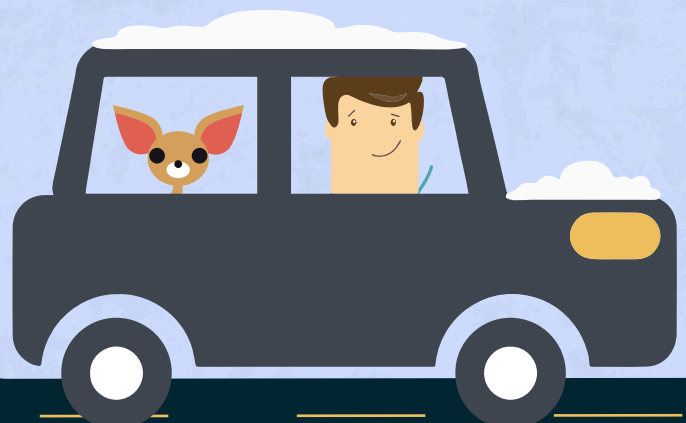

make sure YOU CAN SEE

windscreen clear, check wipers, washer nozzles not blocked and have fluid.

DRIVE CAREFULLY

Don't rush, give yourself plenty of time. Remember your braking distance is much longer in bad conditions. And Leave extra distance when overtaking.

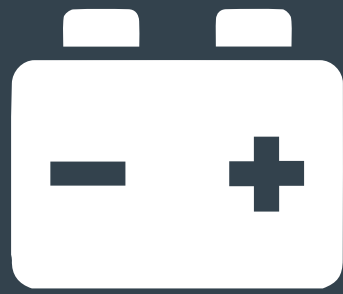

whatever the weather
ALWAYS CHECK

tyres

battery

lights

water & oil
